## TESTIMONIALS

*"We have top-class buildings and labs, and we did not want our playground to be any less. We were so happy with the FieldTurf installation at our Gorai school that we installed it at our Panvel school also."*

- Dr. Pillai, Director, Global Education Academy

*It is with great pleasure we write conveying our appreciation of the FieldTurf artificial grass at the J.N.Stadium. Players find the turf extremely comfortable and soft while playing on it and they can dive and slide on the turf without any fear of injuries or skin burns. It almost plays like natural grass if not better.*

- Mr. Larsing M. Sawyan, General Secretary, Shillong Lajong FC
